

## Chatsworth Country Fair 2023

### Wi-Fi Information

Visit Peak District & Derbyshire have arranged for the provision of WiFi in the marquee for the duration of the show.

SimpliWiFi will manage all your devices. In order to ensure everyone has fair access to the networks provided certain activities will not be permitted on the network as follows:

- Live Streaming to social media sites (outbound)
- Access to media-heavy social media such as WhatsApp, Instagram, Youtube Live, Twitch etc.
- Audio or video streaming (inbound)
- Live Gaming
- Age appropriate content filter will be in place during the event. The networks are provided for the taking of payments and are fully PCI-DSS compliant as required by the secure payment industry with all devices on the network isolated from each other to further enhance security.
