

PEAK SIGHTSEER

OPEN TOP BUS TOUR

Business Toolkit

Open top bus service in the Peak District

Peak Sightseer is an open-top bus service that offers a tour of popular Peak District destinations including Chatsworth, Bakewell, the Monsal Trail, Hathersage, Castleton and Padley Gorge.

The bus runs daily every hour, and passengers can hop on and hop off along the route. The service is operated by Stagecoach Yorkshire.

Supporting this bus service will help reduce the traffic in busy areas, encourage greener travel, and will also help people to explore more areas of the Peak District during their visit, helping connect them with your businesses.

Marketing activity from Visit Peak District & Derbyshire encouraging bus use will provide inspirational content for visitors and residents alike.

This toolkit will provide you - our industry partners - with information and tools so that we can work together to help promote the Peak Sightseer.

The Peak Sightseer

The Peak Sightseer open top bus is back again this summer.

There are two routes - the Red route and the Blue route - so you can enjoy Peak District views with stops at Castleton, Chatsworth, Hathersage, Bakewell and more!

A day ticket and gives you unlimited travel for the day across both routes. Sit back and enjoy the scenery or hop on and off the buses as many times as you like.

The buses run daily until 19 September, then Saturdays only from 26 September until 10 October.

How you can help

We're asking businesses across the Peak District & Derbyshire to help spread the word by promoting the Peak Sightseer to your customers. High resolution imagery and video content are available for you to download and share.

We have days out on the bus ideas, attractions that are offering discounts for visitors arriving on public transport, and the Peak Sightseer Open Top bus service is operating 2 routes across the Peak District.

Prices & Information

Adult	£14.00
U19	£8.50
Concessions	£9.50
Family (2 Adult and 2 Under 19's)	£38.00
Group (any five people)	£60.00

The £3 single fare cap is not available on the Peak Sightseer. You can't travel for free with a Concessions Pass.

Peak Sightseer tickets are also valid on all other Stagecoach buses in the local area and can also be bought on the 65/65A, 66, X66, 160 & 170 service as well.

Peak Sightseer has stops at Bamford, Chesterfield and Hope rail stations, making connections easy. Some journeys start and end at Chesterfield rail station.

Well behaved dogs are very welcome on the bus, free of charge.

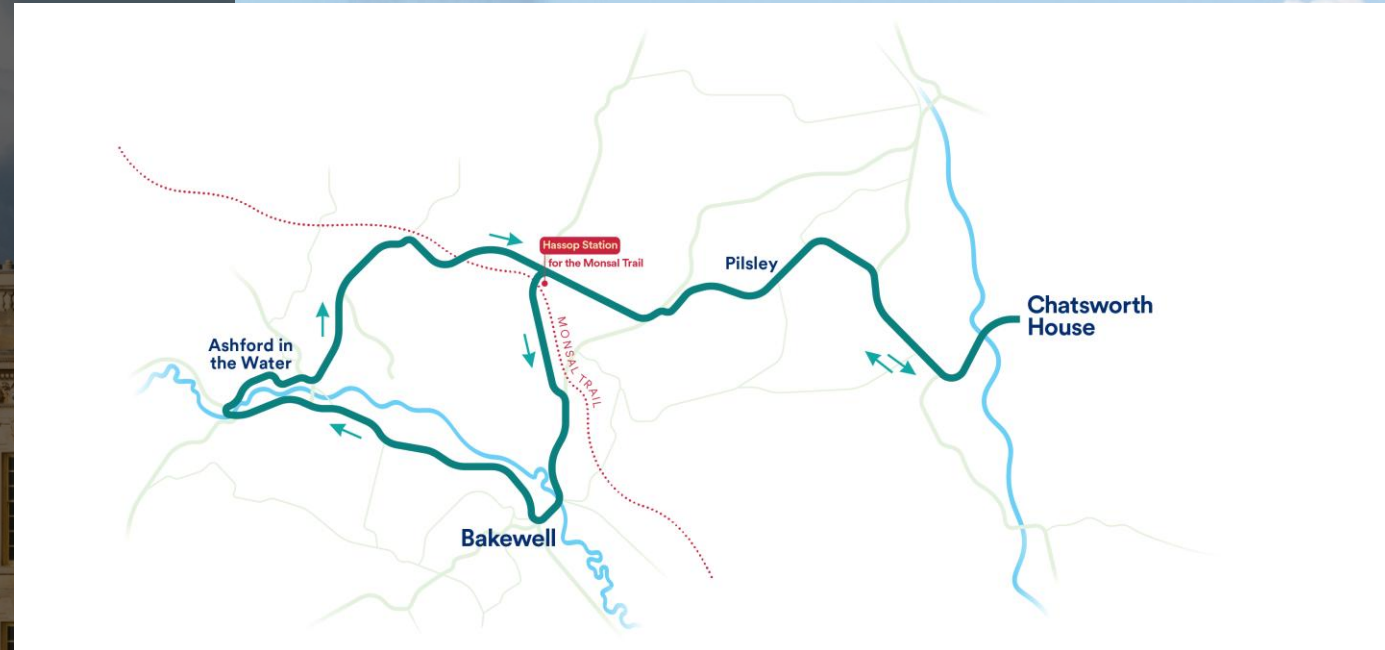

Peak Sightseer Red Route

The open top bus travels one way in a loop with stops at:

- Chatsworth
- Pilsley for the Chatsworth Estate Farm Shop
- Hassop Station for the Monsal Trail
- Bakewell, Bakewell Road for the town centre
- Ashford in the Water for Ashford Arms
- Peak Sightseer Blue route

A full loop on the Peak Sightseer Red route takes just under an hour. This may vary depending on traffic conditions.

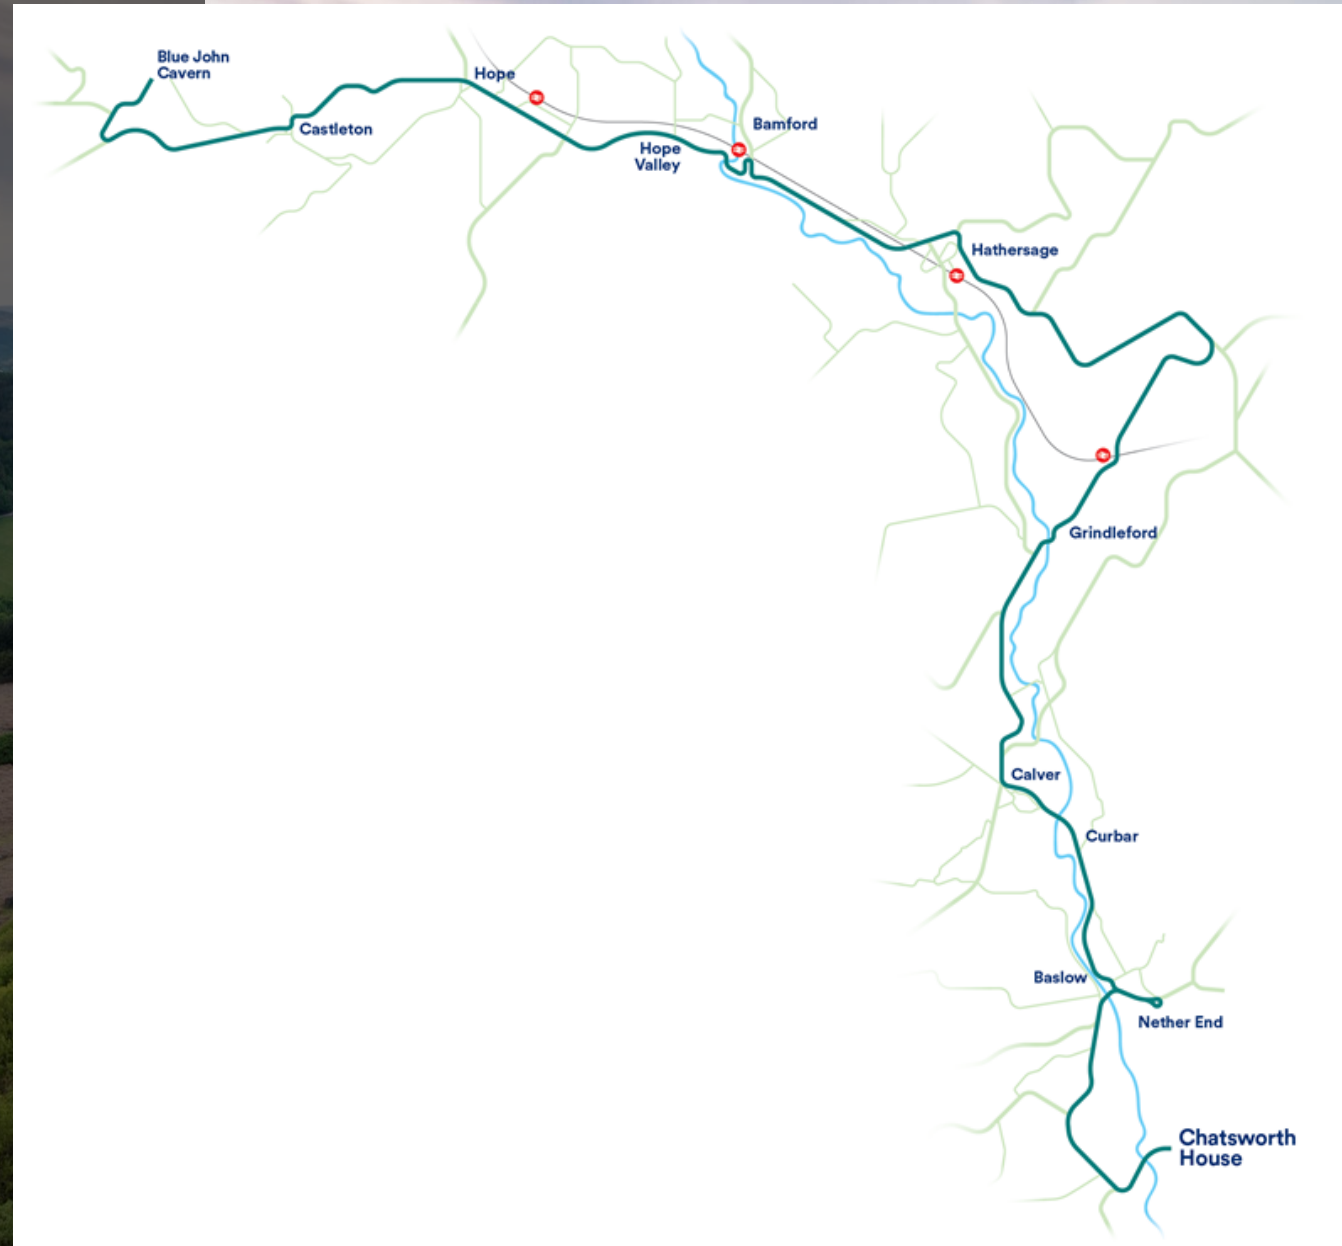

Peak Sightseer Blue Route

Buses on the Peak Sightseer Blue route go between Chatsworth House and Blue John Cavern using the same route in both directions. The route has stops at:

- Chatsworth
- Baslow Nether End for Baslow Edge
- Calver Sough
- Grindleford
- Longshaw Lodge for Padley Gorge and the Longshaw Estate
- Hathersage for Stanage Edge
- Bamford for Bamford Edge and Ladybower
- Hope for Lose Hill
- Castleton for Peveril Castle and Treak Cliff Cavern and Speedwell Cavern
- Blue John Cavern for Mam Tor

A journey from Chatsworth to Blue John Caverns/Mam Tor on the Blue route takes approximately 1 hour 10 minutes. The return journey from Blue John Caverns/Mam Tor to Chatsworth takes approximately 1 hour 18 minutes. This may vary depending on traffic conditions.

Using the Bus

Use the Stagecoach bus app and search for the buses called “RED” for the Red route and “BLU” for the Blue route. This will give you live updates on a map so you can hop off and on all day with confidence.

SUGGESTED WEBSITE INFORMATION

Make sure your getting here information includes public transport options as well as driving directions.

Good public transport information will encourage visitors to arrive sustainably – reducing their carbon footprint. Research shows 42% of UK travellers want to make more sustainable choices.

Use online journey planners to give detailed information as well as directions from the nearest bus stop or train station.

Remember to add relevant links to the bus/train service that applies to your business.

If your business is located on the Peak Sightseer route, make sure you mention this!
